1. How brightly beams the Morning Star!
The nations see and hail afar
and the King of grace, The Light in Judah
sinners, fill the sky, For thee our hearts are shining.

2. Rejoice, ye heavens; thou earth, reply;
Incarvate God, put forth thy power,
and the Bride-groom, For this his incarnation
great Conqueror, Till all know thy salvation.

Great and glorious, thou victorious Prince of graces,
Alleluia, Alleluia! Praise be given

Filling all the heav'nly places!
ven Evermore by earth and heaven.
