with hea - ling in his wings.

hea - ling in his wings with hea - ling in his wings.

wings, with hea - ling in his wings.

2. If angels on the sacred morn
 The Son of righteousnes was born
 Pour'd forth their seraph songs;
 How should all people then on earth
 Triumph in honour of his birth,
 The praise to him belongs.

3. Then let us with the angels join
 And praise his glorious name divine
 With alleluias high;
 With endless thanks to God above
 In showing forth his boundless love
 To all eternity.
