Je- su all ho- ly, Gen- tle of and low- ly,
Sov- ran sup- er- nal, Son tle of the'e- ter- nal,
Je- su we bless thee, Wor- ship, con- fess thee;
Shel- ter, pro- tect us, Tend and dir- ect us,

Snow- white li- ly of the vale:
Born of Ma- ry maid- en, hail!
Shep- herd of arm, the and sheep thou art:
Strong of arm, and kind thou of heart;

Thou art our Mast- er, Mon- arch and Pas- tor,
Foun- tain of our glad- ness, So- lace in Pas- sion,
Sha- dow and us, moon- light Turn in- to the noon- light
Bide with us, giv- ing ing Grace to the liv- ing,

Priest, In- ter- ce- der, Pro- phet and Lead- er,
More than a bro- ther, Fa- ther or Mo- ther,
Soft- en the scorn- er, Com- fort the mourn- er,
Shrift to the scorn- dy- ing Free- ly supp- ly- ing,

Re- fuge, De- fen- der, Lov- ing and strong.
To thee we ren- der, Tri- bute and song.
Rule our be- ha- viour, Ord- er our way:
Be thou our Sa- viour, ev- er and aye.
