

Holy Spirit come

(A chant for Pentecost)

If really necessary, this chant could be reduced to unison + organ by following the notes in larger print.

However, the part-work is simple, being based on an eight-bar theme that is treated canonically.

The organ accompaniment is written as if for manuals but pedals may be added where appropriate.

Dynamics markings imply a gradual crescendo, as of a procession of pilgrims steadily approaching.

Andante ♩ = 48
