1. On Christmas Eve we sing the praise Of Him who, in the days of yore, Did come to earth our lives to save From sin for ever more.

2. His birth it was a wondrous thing, In lowly stall in Beth-lehem: And ever more our praises ring; To Him we offer them.

3. His time on earth, so full of strife, As to us all He preached of love; For that He paid with His dear life, And rose to heav’n above.

4. So let us all this Christmas time Rejoice with songs on earth below; And send to heav’n our joyous rhyme As praise from us does flow.

sing, sing a-loud, for Christ is born, He saves our souls from sin; With His forgiveness we can now new lives in Him begin!
