Peaceful, Gladsome Christmas Morning

J H TENNEY

1. Peaceful Glad-some Christmas morn-ing, Happy those who see its dawn-ing. Hail its joy-ful light:

2. Peace o'er all the earth a-bound-ing, Songs of grat-i-tude re-soun-ding. Christ the Lord is here:

3. Glad we hail thee, Christ-mas morn-ing, Wel-come now thy joy-ous dawn-ing. Christ's bright na-tal day:

Mer-ry Christ-mas bells are ring-ing, Choirs their sweet-est songs are sing-ing, Fa-ces all are bright.

He hath come all eyes be-hold Him, Oh may all our hearts en-fold him, Learn His name to fear.

Round our hearts sweet peace en-twin-ing, Christ-mas sun up-on us shin-ing, Drives all gloom a-way.

Ring bells, ring bells, mer-ry, mer-ry bells, Wel-come Christ-mas morn-ing, Ring bells, ring bells, mer-ry mer-ry bells,
Glad we hail thy dawning. Ring ring ring, ye merry bells,
Ring a heart-y welcome, rings bells.
